BETHEL COMMUNITY STOREHOUSE

Executive Director's Report

We recently held our Volunteer Appreciation event to honor our volunteers for all of their help. We cannot do what we do without them. They come to us from all walks of life bringing with them many gifts and talents. Our Volunteer of the Year will be honored soon!

Bethel has at this time 52 volunteers which sounds like a lot of people, but not near enough. It takes an army to do what we have been called to do. **BETHEL NEEDS HELP!** And we need help in all areas: thrift store, sorting & processing, donation center, food pantry and more...there is something for everyone.

There are many benefits to volunteering:

1. It connects you to others and makes your community a better place.
2. Volunteering is good for your mind and body.
3. Volunteering can advance your career – it teaches you valuable job skills.
4. Volunteering brings fun and fulfillment to your life, it breaks up the monotony of everyday life.

Volunteer Orientation is held every Thursday at 10am, or just come in or call us to get you registered. We take volunteers ages 15 and up.

So there you have it – you need us and we need you!

We are neighbors helping neighbors = together we are making a difference!

Mother Teresa says "There is tremendous strength that is growing in the world through sharing together, praying together, suffering together and walking together."
